Your cooperation and forbearance from copying these files would be appreciated. Piracy will only have the eventual result that I may have to stop producing these CDs and the compilation of knowledge will cease and people in the future will maybe lose the books that help us keep these wonderful machines healthy.

If there is something not on this CD, and you have a copy of it, let me know so I can add it to the next edition.

PARTS LIST

#### **PARTS LIST**

COVERING "850" AND "750" MODELS AFTER ENGINE NUMBER 212278

#### TO LOCATE THE PART REQUIRED

Identify from the illustration the group in which the required component appears. Having located the page, the individual component is keyed from the illustration to the text.

#### SPECIAL NOTE

When ordering coloured parts, always quote the colour required as well as using the part number suffix. The suffix numbers **do not** indicate the colour in many instances.

**ALWAYS QUOTE YOUR ENGINE NUMBER**
